

# Moose Lodge #763 Wyoming Michigan

## Lodge Visitation Processes and Changes

1. Only members and their family will be allowed into the lodge until further notice. Please have a membership card ready.
  - a. Current members, spouse, and household family
  - b. If you are signing up to become a member
  - c. If you filled out an application at [www.BeAMoose.org](http://www.BeAMoose.org)
2. At the entrance, the host will check your temperature with a Non-Contact Thermometer and ask you the health screening questions. If your temperature is over 100.4 or you have other symptoms, you will be asked to come back in 14 days.
3. The host will ask you to fill out a COVID Moose Waiver on your **first** visit to the lodge
4. The host will sign you in to the visitor log for Contact Tracing purposes.
5. You must wear a mask while entering and moving about the lodge. While seated you may remove your mask. We will have some available at \$1 each.
6. You will see the bartender and they will open a tab for you and take either a credit card or driver's license. They will ask you to place it in a paper container to prevent contact.
7. Please find a seat or table that has a "Cleaned" sign on it. This means it has been sanitized and the 10 minute time has elapsed. If there is a timer still at that seat, it means it is in the waiting period.

8. Bar seats are spaced 6 feet apart. If you would like to move two seats that are near each other together, please remember the 6-foot social distancing from anyone else.

9. Families may sit together at a table, please choose one that is the appropriate size for your group. Please remember the 6-foot social distancing from any other groups.

10. If you cannot find a seat, you may also use the patio or banquet room seated or the patio.

11. Remember as you travel through the lodge you **must have a mask on.**

12. Volunteers are needed to help sanitize all touchpoints every half hour. Door handles and such.

13. Before you leave for the day, see the bartender to close out your tab at the West end of the bar. They will hand you back your card in the paper tray. They will put on gloves to handle any cash. You will be able to swipe your credit card.

14. When your party is ready to leave, DO NOT TAKE YOUR ITEMS TO THE BAR OR KITCHEN WINDOW, please take all of your items to the self-clean station and put all bottles in a box, all liquids in the GREEN bucket, and trash in the receptacle. Red bucket is for sanitizer if you are willing to wipe down your table for us. The host will put the 10-minute timer on the table.

15. When you leave the host will log you out for the contact tracing form.

### **Following your visit:**

If you or a member of your party become ill within 48 hours of your visit, please contact the lodge so we can notify the appropriate individuals. We will call you if someone else becomes sick and was here at the time you were.
